* School districts may establish course and/or credit requirements which exceed the State minimums.

** "Content equivalent" means course or activities that include the same or equivalent knowledge and skills as those found in traditionally titled courses which are required for high school graduation and which are aligned with the Core Curriculum Content Standards. This content must be taught by certified teachers, may be integrated in one or more courses, may be titled differently, or may present material in an interdisciplinary or spiral format.

*** The 120 credit total is greater than the sum of the individual requirements above, to allow for student electives
